# REGIONAL ARTS

---

Thanks to the generosity of the Pleasant T. Rowland Foundation and the Overture Foundation, in 2002 NFAA held the second year of a two-year pilot program plan: regional ARTS Midwest. Based in Madison, WI, the regional ARTS Midwest reached out to high school junior-age and 16- and 17-year-old artists, in the states of Iowa, Illinois, Minnesota, North Dakota, South Dakota and Wisconsin. Fiscal Year 2002-2003 concluded the second year of the two-year pilot program, which was deemed a success.

For the second year, a separate ARTS manual was created and distributed to arts educators and organizations throughout the six states. A total of 798 artists participated in five arts disciplines, dance, music, theater, visual arts and writing – a **28%** increase in participation from those six states when compared to the previous year's national ARTS program participation figures.

Ninety-seven young artists were invited to attend regional ARTS Week in Madison, WI, July 29 through Aug. 3, 2002 at the University of Wisconsin. The all-expenses-paid week included workshops, master classes, interdisciplinary activities, showcase performances and a visual arts exhibit. Host venues included Memorial Union, Lathrop Hall and Mills Music Hall on the UW campus. A total of \$57,500 in unrestricted individual cash awards was shared among 158 artists. ARTS Platinum Award winners earned \$1,000; Gold, \$500; Silver, \$300; Bronze, \$200; Copper, \$100. In addition, 64 Honorable Mention awards (\$100) and 52 Merit Awards were granted to young artists deserving of recognition but not invited to regional ARTS Week.

56 Regional winners advanced to the intermediate judging level of the National ARTS program. Nine of them were chosen to attend National ARTS Week in Miami, FL. Two won Music for Youth \$25,000 scholarships, Michael Heckenkamp, percussionist from Oconomowoc, WI, and Eunice Keem, a violinist from Winnetka, IL. One regional winner, writer Constance Parng, from Hoffman Estates, IL, advanced to become a Presidential Scholar in the Arts.
